One-hour sessions just aren't enough . . .

Two-Day Marriage Clinic™

One hour simply doesn't provide enough time to adequately address and resolve stubborn issues. When painful issues surface without enough time to discuss and resolve, couples actually re-activate old wounds and sometimes go away feeling worse than before!

Though couples experience different symptoms such as anger, resentment, and withdrawal, the root problem is usually the same: violating one or more of 25 Essential Marriage Skills found in the Bible. These skills are taught in a group environment, but all projects are done alone with your partner. This unique marriage intensive provides the equivalent of 15 weeks of counseling in just two days.
